SIR,

Flag G

I have the honour to invite your kind reference to para 13, page 5 of my Pamphlet on 'THE COMING CENSUS' - copy of which is forwarded herewith for ready reference - and to state that it is intended to take a census of the cattle along with the census of persons only in the Cities of Mysore and Bangalore. The Enumerator, as he visits each house, enquires if there are any cattle in it and fills in the columns in the enclosed form in respect of only such houses in which there are cattle. Columns 2 to 4 in the form prescribed will correlate it with the People's Census. I request that the taking of the cattle census and the form suggested may kindly be approved.

I have the honour to be,

Sir,

Your most obedient servant,

Census Superintendent.
